Action Mesothelioma Day

This year's event is once again being hosted by Merseyside & Cheshire Asbestos Victims Support Groups.

Each year, hundreds of people gather in cities across the UK to raise awareness for mesothelioma, to call for better treatment and care for mesothelioma patients, for prevention of exposure to asbestos and to ban the export of asbestos to developing countries.

This year in Liverpool, families affected by asbestos diseases will take part in releasing doves in a public act of remembrance and commemoration to all those victims who have died or who are suffering from mesothelioma.

Everyone is welcome to attend this public meeting at
